Scilabub Limited

EC Directive 89/686/EEC

EC Type-examination

Issue 1

PPE Product

Silabub FROSTERS Cryogenic Aprons, with adjustable webbing straps fitted with quick release clips at both the neck and waist, which are available in four nominal sizes; Style No. SPA/194, Style Ref APR/CM*, where * is the size indicator.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the relevant requirements in the manufacturer's technical specification¹ (based on testing the apron materials to the relevant EN 511:2006 & EN 388:2003 requirements), which had been previously assessed and deemed to meet the basic health and safety requirements (Annex II) of the Directive.

The manufacturer's information notice (TD No S9B, issue 1) in English has been inspected and found to have addressed all of the relevant requirements of the Directive (Annex II, 1.4). However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file reference: TEC SPEC S9
(TECSPS9), issue 5

SGS Reference Number GB/PP 224325

¹ The validity of this certificate may have to be reviewed in the light of new or amended harmonized standards.
