## Scilabub Limited

### EC Directive 89/686/EEC

#### EC Type-examination

Issue 1.

PPE Product

Scilabub Frosters Glove V8659 series, cut & sewn fabric gauntlets with thermal lining, which are available in four nominal hand sizes and the following nominal overall lengths: 35cm to 38cm (increases with hand size, product code: V8659), 50cm (V8659A) & 60cm (V8659EX).

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements of the relevant harmonized standards:  
EN 388:2003 for a performance classification of 2,X,3,X;  
EN 511:2006 for class 2,2,0.

The manufacturer's information notice (TD No S9, issue 6), in English, has been inspected and found to have addressed all of the relevant requirements of the standard. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file reference:  
TEC SPEC S9 (TECSPS9), issue 4
